**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steve Kahm on 29 October 2004.

The application has been amended as follows:

*In The Specification:*

On page 4, line 9, "patch 50" has been changed to --patch 25--.

On page 5, line 9, "a" has been deleted before "an".

On page 6, line 23, the cited trademarks have been capitalized -- BAUER SUPREME PRO or VAUGHN VP 6000 LEGACY --.

NOTE: The above changes have been made to overcome informalities, in order to put this application in condition for allowance.

*In The Claims:*

In claim 1, line 7, "his torso" has been deleted and --the torso of the goalie-- has been included after "from".

In claim 1, --the bar holding block has apertures therein, the bar has pins for engaging the apertures of the bar holding block, a flap attached to the garment for extending over the bar and bar holding block to keep the bar and bar holding block engaged.-- has been inserted on new line 8.

Claim 2 has been cancelled.

In claim 4, line 2 has been deleted entirely, and --the bar holding block is contained within a pouch, wherein the pouch is attached to the front of the garment.-- has been inserted instead.

2. The following is an examiner's statement of reasons for allowance: claims 1-6 are allowable over the prior art of record, because the prior art does not show or suggest the combination of a hockey goalie training comprising a garment, a bar holding block, a bar and a flap attached to the garment for extending over the bar and the bar holding block to keep the bar and bar holding block engaged.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mitra Aryanpour whose telephone number is 703-308-3550. The examiner can normally be reached on Monday - Friday 9:00 to 5:30.
